COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

This paper is filed in response to the Statement of Reasons For Allowance provided with the Notice of Allowability of October 1, 2007. The Applicants sincerely appreciate the allowance of all pending claims. Applicants point out, however, that the scope and patentability of each claim is defined with respect to the recitations thereof. Thus, while the Statement of Reasons for Allowance focuses on recitations from Claim 1, Applicants note that other claims include other recitations providing different and/or additional reasons for patentability as pointed out, for example, in Applicants prior Responses.

Respectfully submitted,
